

WHY DECEUNINCK?

“Better made...
for a better fit”

deceuninck

MADE FOR INSTALLATION

Tighter tolerances for a better, more consistent fit.
No too loose or too-tight fitting beads

Good gloss – easy peel tape. Easy to clean, and not chalky!

20mm upstand and symmetrical sightlines

Grey gasket – better looking, softer lines

20mm upstand for optimum frame coverage

Easy fit beads – single leg, flexible and secure
