Hooglede-Gits, 22 September 2009. Following the decision of the general shareholders' meeting of 26 June 2009, the board of directors resolved on 21 September 2009 to proceed with a capital increase with preferential subscription right (the Right) through the issuance of maximum 86,200,000 new shares in Deceuninck at a subscription price of EUR 0.98 per share (the Subscription Price) on the basis of 4 new shares for 1 existing share (the Ratio).

Subscription period

At the close of the regulated market of Euronext Brussels on 22 September 2009, Deceuninck NV's shareholders will receive one Right per existing share. The Right, represented by coupon nr. 9, will be separated from the existing shares on 22 September 2009 after Euronext Brussels closes on that day and will be listed on Euronext Brussels (ISIN code BE0970108115 and symbol DECB9) from 23 September 2009 until and including 7 October 2009.

NOT FOR DISTRIBUTION OR RELEASE IN THE UNITED STATES, CANADA, JAPAN OR AUSTRALIA

The holders of Rights are entitled, subject to the applicable securities laws, to subscribe for new shares at the Subscription Price and in accordance with the Ratio during the subscription period from 23 September 2009 until and including 7 October 2009.

The Rights which are not exercised at the end of this subscription period will be automatically converted into scrips. The scrips will be sold to institutional investors by means of a private placement. This will in principle take place on 9 October 2009. Investors purchasing scrips give an irrevocable commitment to exercise the scrips and subscribe to the new shares against payment of the Subscription Price and in accordance with the Ratio. The net proceeds of the scrips will accrue to holders of these Rights.

The results of the public offer will be announced on or around 10 October 2009. The payment of the Subscription Price, the realisation of the capital increase and the listing of the new shares and VVPR strips on Euronext Brussels is expected for 14 October 2009.

Use of proceeds of the capital increase

The proceeds of the capital increase will be used for debt deleverage for an amount of EUR 41.3 million. The balance will be used by the company to cover the costs of the financial and operational restructuring. The remainder will then be used for working capital financing.

Commitment from three major shareholders and subscription by the banks

Three major shareholders of the company, Stichting Administratiekantoor Desco and Defiac NV (representing the Deceuninck family) and Sofina NV, have committed to support the capital transaction for a total amount of EUR 38,638,375. Sofina NV, Desco SAK and Defiac NV, representing respectively 17.50%, 17.50% and 4.56% of the issued share capital, have committed to exercise all of their Rights. In addition, Sofina NV has committed to subscribe to an additional amount of EUR 5,216,700 if and to the extent not all scrips are sold in the context of the private placement.

The company has entered into a hard underwriting agreement with ING, KBC Securities, BNP Paribas Fortis and Dexia who have underwritten the balance of the total amount of the rights issue, namely EUR 45,837,623, and as such guarantee the successful outcome of the transaction.

Prospectus
