ANNEX TO THE ARTICLES OF ASSOCIATION

- HISTORY OF THE CAPITAL

This document contains the history of the capital of the company and is an annex to the articles of association of the company.

The company was originally formed under the form of a limited liability partnership (“*personenvennootschap met beperkte aansprakelijkheid*”) and under the name “Etablissements Deceuninck” by deed executed before Edgard Reynaert, then Notary public in Staden, on the thirty-first of October nineteen hundred and forty-one.

By deed executed before Pieter Vander Heyde, Notary public in Rumbeke, on the thirty-first of July nineteen hundred and seventy-four, the limited liability partnership was converted into a limited company (*naamloze vennootschap*) with the name “N.V. PLASTICS DECEUNINCK S.A.” and the amount of the capital was kept at twenty million francs (20,000,000 BEF) and the twenty thousand (20,000) existing shares were exchanged share by share for twenty thousand (20,000) shares without indication of value.

By decision of the extraordinary general meeting of the seventeenth of December nineteen hundred and seventy-four, the minutes of which were prepared by the aforesaid Notary public Pieter Vander Heyde, “N.V.-D.P.G.-S.A.” was accepted as the new name.

By the interrelated decisions of the extraordinary general meeting of the fifth of March nineteen hundred and eighty-five, the minutes of which were prepared by Paul Dehaene, Notary public in Gent-Sint-Amandsberg, on the same date, the name was changed to “DECEUNINCK PLASTICS INDUSTRIES” and further:

- the capital was increased from twenty million francs (20,000,000 BEF) to eighty-four million nine hundred and ninety-nine thousand and two hundred and fifty francs (84,999,250 BEF) by the issuance of one thousand five hundred and fifty (1,550) new shares without indication of value of the same type as the existing shares, which new shares were immediately subscribed to by contribution in specie.

- the capital was increased from eighty-four million nine hundred and ninety-nine thousand and two hundred and fifty francs (84,999,250 BEF) to three hundred and thirty million francs (330,000,000 BEF) without issuance of new shares by simple previous reduction of the sum of two hundred and forty-five million seven hundred and fifty francs (245,000,750 BEF) from the reserves available for distribution and the profit brought forward and the incorporation hereof in the capital.

- after these two capital increases the twenty-one thousand five hundred and fifty (21,550) existing shares were replaced by four hundred and thirty-one thousand (431,000) new shares without indication of value by exchange of each existing share for twenty (20) new shares.

By decision of the extraordinary general meeting held before Notary public Yves Ameye in Roeselare, in replacement of Notary public Paul Dehaene in Gent-Sint-Amandsberg, on the fourteenth of April nineteen hundred and eighty-eight, the four hundred and thirty-one thousand (431,000) shares were replaced by two million one hundred and fifty-five thousand (2,155,000) shares by exchange of one old share for five new shares.

By decision of the extraordinary general meeting held before Notary public Geert Vanwijnsberghe in Roeselare (Beveren) on the fourth of June nineteen hundred and ninety-nine, the capital of the company was increased by an amount of seven hundred and eighty-seven thousand and one hundred and eighty francs (787.180 BEF) to bring it from three hundred and thirty million francs (330,000,000 BEF) to three hundred and thirty million seven hundred and eighty-seven thousand and one hundred and eighty francs (330,787,180 BEF), by incorporation of reserves for the aforesaid amount, without creation of new shares.
